Newly designed Squad Car hits the streets.

In February the Dodge County Sheriff's Office requested assistance from the public to help with selecting a new graphic design for Dodge County Squad Cars. After the request went out, the Sheriff received 100 different designs from citizens all over the county and from people of all ages. Sheriff's office administration narrowed down the choices and the Sheriff made a final decision to go with a design that was submitted by the Fenner Family (Jesse, Shari, Cole, and Dilan) of Lowell.

The first squad was changed over this last week and will be put in service on Monday June 22. The Sheriff will be presenting it in its first appearance at the Swan City Car Show in Beaver Dam on Sunday June 21 from 12:30pm until about 1:30pm. The Fenner Family is also expected to be present as well.

The Dodge County Sheriff's Office will be replacing 5 of its marked patrol vehicles this year and will phase out the old design in future years.

Photos of the squad car will be emailed to the recipients of this press release following the presentation on Sunday.

Additional information can be obtained by contacting Sheriff Dale J Schmidt.
